

# What is your Chapter Planning for Our Nation's 250<sup>th</sup> Anniversary?

*The NSSAR Committee has been formed and is working on a project that covers the celebration of event's occurring during 250th anniversary period. The events include those related directly to acts of resistance to British attempts to coerce the residents in America and include those from the first Parliamentary Acts protested after the conclusion of the French and Indian Wars, through the armed struggle of the American War for Independence, to the ratification of the Treaty of Paris by the Continental Congress. This therefore will cover any public celebrations in the period from 2014 to 2033.*

I have agreed to chair the 250<sup>th</sup> Anniversary Committee for Ohio Society and am seeking compatriots who would be willing to serve on the committee. If you are interested in serving on the committee, please let me know.

If you or your chapter have already started working on programs and media type events designed to recognize and promote events that occurred 250 years ago (beginning in 2014 and concluding in 2033)- please let me know about your plans.

The National Committee is working on the development of criteria for a medals program as well as developing criteria for recognizing events and related activities.
